

Johnson Associates Consultancy Limited

Quality Policy Statement

JAC is committed to providing Quality, Environmental and Health & Safety Management System Consultancy and Training to the highest standards, and meeting or exceeding customer requirements. Key objectives include on-time management system development and first-time approval of the system by a UKAS recognised Certification Body

To help achieve these goals the company uses a Quality Management System which meets the requirements of ISO 9001:2015

JAC is also committed to continuously improving company performance and customer satisfaction.

Compliance and improvement is monitored by the regular use of metrics, internal audits and maintained by the timely implementation of preventive and corrective actions.

Meeting our quality standards involves all members of staff.

JAC is committed to enhancing the abilities of all staff to support the effective operation of the Quality System and the achievement of Quality Objectives.
